

Last year, the pro-life community experienced the miraculous faithfulness of our Lord and Savior, Christ Jesus with the overturning of Roe vs. Wade. Through this monumental decision and the overwhelming support of our donors, PRC was able to be a “River of Life” to families- women, men and babies of the West Georgia community.

Post Roe vs. Wade, there has been an increase of women, men and babies needing the services provided at PRC. In 2022, due to you being a River of Life, PRC has grown exponentially by increasing the wrap around services. This allowed PRC’s staff to reach even more women within our community, have a stronger presence and develop an even more intimate relationship with the clients. This would not have been possible without the faithfulness of the donors.

With your support last year, you were able to provide support for 493 families within Carroll, Haralson and Heard counties. In addition, you were able to help save 301 babies as well as continue to provide medical grade pregnancy testing, limited ultrasounds, parenting support, and medical goods assistance. Furthermore, you allowed Pregnancy Resource Center to continue operations at the satellite locations in Tallapoosa and Franklin. God’s plan continues to prevail here at PRC and you were part of making that a reality.

At the start of this year, God called PRC to **ARISE**. fortify and protect what he has graciously provided. He then revealed to us the scripture Nehemiah 2:18, which says “Then I told them how the hand of my God had been favorable to me... And they said ‘Let us arise and build,’ So they thoroughly supported the good work” (AMP Version). That is why this year’s theme of PRC’s Fall Fundraising Dinner is **ARISE**, protect and continue to be the light of the world and the salt of the earth for our patients. As you consider sponsoring this event, those funds allow PRC to continue to minister and be a fortified safe haven to those in our surrounding communities facing unplanned pregnancies.

As PRC continually strives to be a conduit of Christ Jesus within our community, we recognize that as growth happens protection must be a part of the conversation. We know that the enemy comes to kill, steal and destroy, however, Jesus has come to give life and life more abundantly to all. **\$150,000 is the ultimate goal to help sustain PRC’s three locations!** That is why this year’s theme is to **ARISE**, strengthen and protect.

Your financial sponsorship will have an everlasting impact on PRC’s patients and babies. Will you **ARISE** to protect and strengthen PRC as they continue to minister to women, men and babies within our community?

With this in mind Pregnancy Resource Center is honored to bring you the 2023 Annual Fall Fundraising Dinner, **“ARISE”**. Will you be a stakeholder in raising the walls of protection around these families through the services PRC provides? Where there is a watchman the city will be protected. If so, here is an amazing opportunity for your organization.

This spectacular event will take place at Roopville Road Baptist Church on Thursday, September 28, 2023. An event of this magnitude brings a need for funding. Your sponsorship will cover these items: catering, fees associated with film and production, marketing materials, cost of venue etc... There are many benefits to joining us as a sponsor.

Please review the sponsorship levels. We hope you will recognize the impact your sponsorship would have on PRC along with advertising and branding opportunities.

This year, PRC is pleased to announce that you will have the opportunity to hear testimonials from the clients that have visited the center-these testimonials include patients, program participants and partners.

The target goal this year is to increase the number of clients serviced at PRC's multiple locations. Statistics show that over half of the abortions performed today are through medications. Many of which are bought online with no medical care. These women suffer a lifetime of trauma. The staff need to be able to reach them and provide the services they need to choose life for their unborn child. With your sponsorship you can be a leader in our community by compassionately helping the lives of so many women, men and children. Will you prayerfully consider partnering with PRC?

On the following page, you will find the sponsorship levels and packages available. Will you prayerfully consider supporting this event as an individual, corporate/business or church sponsor? Let the Lord lead your giving. Please contact Kellie Roberts, Director of Development at 770-856-6980 or by emailing devdirector@pregnancycrc.com by August 31st, 2023. Thank you for being a partner of this ministry to help save babies and change lives.

With Much Appreciation,

Karmen Stamps
Executive Director
